Calgary Duo Showdown 2025 – 2026 Season

Dear Proprietors,

After many seasons, we are announcing the retirement of the High-Low Doubles tournament. In its place, we are pleased to announce a new tournament for our adult Calgary Zone bowlers – the Calgary Duo Showdown!!!

What is the Duo Showdown?

This new tournament focuses on fun and participation, while encouraging bowlers to return next season. Bowlers will get to know their fellow league bowlers better as they create a pairing with a bowler from the same league.

What is the format

This tournament will feature a brand-new format designed to keep teams interested as they bowl. The tournament is a 4 game pins over average event, but in a unique twist, only the best 3 out of 4 games will count towards the results.

In each shift, teams (pairing) will be divided into smaller divisions by random draw, with a maximum of 8 teams per division. The top 3 teams in each division will be awarded free lineage certificates for next season, with the 1st place team in each division winning 8 free weeks of lineage! (3 games per week, lineage portion only).

- DATE:** Sunday, March 22, 2026 Toppler Bowl
- COST:** \$60.00 per bowler (\$120.00 per team)
- ELIGIBILITY:** Open to all Calgary Zone adult and golden age members
- ENTRY:** Online entry form, details coming soon

With a fresh new format, the Duo Showdown promises to be a fun-filled tournament to wrap up the season! Full details will be provided in the new year, stay tuned!
