

Calgary 5 Pin Bowlers' Association

Calgary Zone Achievements Booklet

Calgary 5 relies on each proprietor to follow the Canadian 5 Pin Bowlers' Association rules and regulations. As another method to promote and build a legacy record for the Calgary Zone, in November 2022, the Calgary 5 webmaster (Dennis Arndt) started gathering historical statistics for the Calgary Zone bowlers. Existing records from the Canadian 5 Pin Bowlers' Association (C5PBA), Alberta 5 Pin Bowlers' Association (A5PBA), Edmonton 5 Pin Bowlers' Association (E5PBA) and Central 5 Pin Bowlers' Association websites were researched and filtered for Calgary Zone participants/Calgary Zone Centres.

In the 2022-23 season, Calgary 5 started a program to recognize zone bowlers who bowled 400 or more in a single game during league play. Data was collected back to the 2021-22 season and towels were awarded to each bowler at the opening of the Calgary 5 Zone Open Trials (the following year). After that, 1000 Triples, 1300 Quads, City High Averages (Adult and Youth) and Most Improved (Adult & Youth) were added to the Award Program.

Information in this booklet continues to evolve as historical information is obtained. In June 2024, **Don Sim; (C5PBA Lifetime Achievement recipient (2017), A5PBA Life Member and long-time records source, who has provided and is accredited a great deal of the statistics to the A5PBA and E5PBA),** provided additional historical league and tournament statistics which are incorporated into the website.

Booklet updated after each season as soon as all achievements have been verified.
