

CALGARY 5 PIN BOWLERS' ASSOCIATION

www.calgary5pin.ca

Alberta

Welcome to the **2026–2027 bowling season!**

We truly appreciate your continued support as the Calgary 5 Pin Bowlers' Association works to provide quality programs, tournaments, and opportunities for bowlers across Calgary and the surrounding communities.

The Calgary 5 Pin has always valued the strong relationships we have with our local proprietors, and we look forward to working with you again this season to support the growth and development of 5-pin bowling.

All of our information is available online, allowing us to share updates quickly and keep information current. At the end of this letter, you will find a summary of the information available through our proprietor webpage. Please bookmark the webpage for future reference:

Memberships

We appreciate your assistance again this season in selling **A5 (Alberta Five Pin Bowlers' Association) membership cards**. All bowlers must be current members in good standing to participate in Calgary Five Pin events.

Please refer to the membership information on the proprietor webpage for full details.

2026–2027 Membership Fees:

- **Adult:** \$18
- **Youth & Senior:** \$11

Once again, Calgary 5 Pin is pleased to cover the cost of **A5PBA memberships for all YBC bowlers** at the end of September.

Please send a list of your registered YBC bowlers to **Chairperson Annette Bruneau**, and we will ensure that their memberships are registered.

Additionally, for every bowler who **graduated from the YBC program last season**, Calgary 5 Pin will cover their membership cost for this season.

Tournaments

Calgary 5 Pin has an exciting mix of tournaments and events planned for **youth, adult, and senior bowlers** throughout the season.

All tournament details can be found in the **Tournament Information** document on the proprietor webpage, along with any necessary forms and supplemental materials.

The tournament information also outlines the information Calgary 5 Pin will request from your center throughout the season. We greatly appreciate your assistance in providing this information and helping us keep our records up to date.

Please review the tournament information carefully for any **format or procedural changes for the 2026–2027 season**.

Awards

Once again, Calgary Five Pin will be presenting citywide awards for:

- **Men's High Average**
- **Ladies' High Average**
- **Youth Boy High Average**
- **Youth Girl High Average**
- **Most Improved Bowler**

Award recipients will be recognized with a **hanging banner** to showcase their accomplishment at their home center.

We will follow up during the season to confirm if you have bowlers in contention for these awards.

If any bowlers at your center roll a **400 game, 1000 triple, or 1300 quad** during the season, please let us know so we can present them with a **Calgary 5 Pin-sponsored towel** in recognition of their achievement.

Communication & Working Together

One of our goals for the 2026–2027 season is to improve communication between **Calgary 5 Pin and our respective bowling centers**.

We want to make sure information is reaching our proprietors in a timely manner, while also providing opportunities for you to share questions, concerns, suggestions, or ideas with us.

You are always welcome to have a **house representative attend our Calgary 5 Pin meetings**. Our next meeting is currently looking like it will take place in **early December**. Our Secretary will send out the meeting information once the date and details have been confirmed.

We believe that maintaining good communication and working together with our centers is important to the continued success of Calgary 5 Pin.

Thank You

We would also like to sincerely thank all of the proprietors who have **agreed to host our Calgary 5 Pin events** this season. We appreciate you opening your centers to our bowlers and supporting the many volunteers who work behind the scenes to make these events happen.

Your support is an important part of keeping 5-pin bowling strong in Calgary and the surrounding area.
